

# Where would they be without you?

With your support last year we found **homes for 151 people** who were living on the streets in the Greater Hartford area, and we kept **more than 900** others who had fallen on hard times **from losing their homes**.

## MERCY HOUSING

- Provided 199 people with recovery care and housing

## MY SISTERS' PLACE

- Provided 191 households with permanent supportive housing and residential support
- Provided 278 households with rental and security deposit assistance
- Supported 73 children through education and enrichment programs

"In the worst time of my life you took me in and helped me come so far. I can never thank you enough." -Shawna

## However, our work is far from over!

Despite being one of the wealthiest states in one of the wealthiest nations, Connecticut is experiencing homelessness at **a crisis level** and an **all-time high** in recent years!

**We need your continued support** if we are to keep up with the growing number of senior citizens, children, women and men of all ages who are experiencing a housing crisis. **Please, consider clicking on the button(s) below to make a secure online donation.**
